

## **Beverly Gagan**

### **Chief Financial Officer**

Beverly Gagan, CFO started at End to End Networks as their Controller in 1998. As CFO, she drives the growth and contribution of Finance, Administration and Human Resources. She brings a dedication of providing optimal systems and processes, plus keen organizational proficiency from her 25 year managerial experience in the professional services and financial industries.

Beverly is responsible for maximizing long term shareholder value, increasing cost savings in the company's value chain and creating an organizational structure that supports long term initiatives. In 2005, Beverly built a human resources model that enabled the company to discover new and diverse IT talent. She also continues to entrench an organizational culture encouraging End to End Networks' core values – Quality, Integrity, and Balance.

Aside from her operational obligations, she is involved in the YTA (York Technology Association), contributing to several peer groups on a regular basis. Beverly also acts as an advocate for youth development in the community. Community Service has always been Beverly's vehicle for meeting new people and developing her leadership skills. She has been a softball coach for over 15 years, a volunteer at Providence Villa and a Board Member for several community and sports committees.
